ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

I use this opportunity to express my sincere thanks and deep sense of gratitude to all those who helped me in various way for the completion of my project. I give all the glory and honor to **GOD ALMIGHTY**, who showered his providences and graces on the successful completion of the work.

I express my sincere thanks to my parents for supporting me to complete this project on time. It would have been impossible without their help and support. With great pleasure I extend my sincere thanks to **Mr. FEBY F A S**, Principal, Presentation College of Applied Sciences, Puthenvelikara for his entire support and encouragement and never ending support throughout the course in this prestigious institution.

I sincerely thank **Mrs. SEEMA M.A**, Head of the Department of the Computer Application, Presentation College of Applied Sciences, Puthenvelikara for her constant encouragement and never ending support throughout this seminar.

I express my deep and sincere gratitude to **Mrs. FILNA FRANCIS**, Asst. Professor, Department of Computer Application, Presentation College of Applied Sciences, Puthenvelikara for her guidance, help and encouragement and never-ending support and guidance throughout the seminar.

I would like to express my profound thanks to all the faculties in my department for their valuable suggestions during the period of my seminar. Last but not the least I indebted to people who have directly or indirectly helped me for the successful completion of the seminar.

ABSTRACT

ABSTRACT

This seminar delves into the technical intricacies and performance benchmarks of Advanced Micro Devices (AMD) and Intel processors, two major players in the semiconductor industry. The presentation will explore key architectural differences, manufacturing processes, and the impact on overall CPU performance. Additionally, the seminar will discuss recent advancements, innovations, and the evolving competitive landscape between AMD and Intel, providing insights for tech enthusiasts and industry professionals alike.
